

Product Information

BKT 6 MOD DATA Socket - white

Card No.: PI_11331381_01.18

System of socket frames with support, surface-mounted boxes, flush boxes, sockets, dummy plugs and electrical sockets is applied in dedicated power installations in 45 x 45 mm standard. This solution allows putting together complete logical access points starting from dedicated power supply through LAN and optical fiber connection.

Features

- The sockets allow the assembly of an integrated electrical and logical access point
- 250V 50Hz 16A with earthing contact
- To be mounted together with socket frames with support
- Positive locking
- Size (width x height): 135 x 45 mm
- Color: white

Standards

- IEC 60884-1
- RoHS 2011/65/EU
