

## Product Information

BKT smoke sensor

No. Card PI\_1134CSS01\_01.16

BKT Smoke sensor allows for full monitoring of smoky status in a room, server room or rack cabinet. When smoke exceeds the threshold value, the sensor sends a sound and visual alarm.

## Features

<b>Index No.</b>		1134CSS01
<b>Description</b>		BKT smoke sensor
<b>Cable length</b>		5m
<b>Cable Termination - plug</b>		RJ12
<b>Power Supply - DC</b>		9V
<b>Working conditions</b>	<b>Temperature</b>	0°C ÷ 50°C
	<b>Humidity</b>	10% ÷ 90%
<b>Additional</b>		Sound volume level: in 3m up to 85dB
		Smoke sensitivity: acc. to : UL 217 standard
		Static current : <10µA
		Operating current : 5mA - 20mA
<b>Installation</b>		Holes in the housing for screwing

## Standards

- EN 61000-6-3:2007
- EN 61000-3-2:2009
- EN 61000-3-3:2008
- EN 61000-6-1:2007

## Warranty

Standard warranty is 2 years.
